ROBLOX announced the launch of an app called ROBLOX Studio in July 2021, which allows players to make 3D videogames using ROBLOX Soft, or Lua scripting. These games can be shared on the website and with friends via social networking and email, making the virtual world even more alive than ever before. The app is free, but users must pay for revenue sharing of their games. On January 30, 2021 ROBLOX released its first app exclusively for iOS devices called "ROBLOX Studio" which puts a lot of its features into a more user-friendly format that previously had to be accessed through two separate products.

Roblox is old and not as great as Minecraft anymore but still fun. Roblox has many glitches on the new models which makes it unplayable. Some of the old content when you log in there is not working.

As a result of these allegations, another employee named Kent Duryee filed a lawsuit against Roblox in March 2021. Duryee claims that he was also wrongfully fired by Roblox after attempting to report misconduct at work earlier in 2021 but nothing was ever done about it. The lawsuit, which is currently still ongoing, is asking for \$5 million in damages and \$1 million in lost wages.

In July 2021, Roblox had allegedly banned several high-profile creators due to the fact they made violent games. Although Roblox claims users were banned "due to improper behaviour" nothing has been proven yet. The situation is occurring in many forums and websites. In July 2021, ROBLOX put out a statement saying that they did not ban any creators, but instead were involved in a legal dispute with the people who claimed to have been banned.[82] They later said that anyone who was banned for making offensive content was "part of an organized effort by bad actors to scam our users. We have no tolerance for this behavior and we're doing everything we can to protect our community." [83]

ROBLOX also offers badge packages; however there is no way of transferring badges between games. ROBLOX has other games such as "Roblox Heroes", "Roblox D&D", and "The Guild 2" (releasing on December 14, 2021).

In conclusion, Roblox is not only a highly addictive game but an educational one as well. It is easy to see why so many kids love to play this game! ROBLOX offers a large variety of games for many different audiences. It also has an excellent system for users to generate custom content so anyone can have their dream game. All in all, this is a great game that everyone should try at least once.

On May 8, 2021, Builder's Club was released for mobile devices. Users can build games on their mobile device and upload them to the catalog. Users can now play on their devices and make money by selling their games. This was the first time a platform has allowed mobile users to make money from their creations. Also in this year, ROBLOX announced that they were giving all accounts \$1 million of Robux for free (for a limited time).

The ROBLOX site and forum have received a lot of criticism from its users regarding

many issues, such as: Administrators are able to delete user-created games without warning or notice. Users can't defend themselves since the only way they could do so is by contacting an administrator or lawyer. Administrators can ban users for doing anything they don't like or don't agree with. However, administrators have been known to ban users for no reason at all, usually if the user is a moderator or an insignificant/low-level user.

If you play "Robloxian life" long enough, you'll notice that the costs really add up. For every point someone wins, the game will cost the player between \$3-\$10 depending on how many points are needed to win a double prize. Although this is not completely true for all games, it does affect most games so players can expect to spend a lot of money just for some points or winning prizes.

I don't really have an answer for you, but I'm sure this is a problem that other people have as well. I think the game needs to be made less serious because people will not want to spend money on fake money (robux) if they know there's no real value behind those items they purchased with their fake money. The best way to accomplish this would be to make hats, shirts, etcetera for gamers who spend more than a certain amount of money.
